IMPORTANT: When sending lens only — always specify 180° line and R. or L.

Engravings, unless specified, will be placed lower temporal — **left** lens. Engravings shown are actual size. Unless specified, illustrated colors will be used . . . or you may request our artist to select colors to best compliment frame color or lens tint. All engravings are available in outline only — most can be enameled — some can be jeweled. Outline — number only. Enameled — number w/"P". Jewel — Number w/"J". Please be specific. Polycarbonate **can** be engraved. However, due to material shredding rather than cutting, quality will be less than that of CR-39 plastic.
